

EUROPEAN BRIDGE LEAGUE

To the Presidents of the EBL NBOs

Cc: EBL Executive Committee

16th February 2015

Dear President, Dear Bridge Colleague,

The EBL is relaunching the Calendar of International Tournaments & Events at present. This will be a listing of all Bridge Festivals, Congresses & Events where the organisers are interested in attracting players from other countries.

It will only include events that are approved by the NBO so it is important that all requests for inclusion are transmitted to simon.fellus@europeanbridge.org through an authorised NBO official.

I am attaching a short form to be completed and forwarded with a link of the event, which will be the main focus of the website entry.

Please arrange to transmit this email and form to any event organisers in your NBO that may be interested in attracting greater international participation.

I hope that this will increase international interest in many events and will expand participation to a wider body of players.

Sincerely Yours,

Paul Porteous

EBL Communications Committee Chairman
